

Complete LED Tube Light Fittings as per the Technical Specifications given [below:-](#)

20W, 2000 Lumens, Type of Tube Light Cap : G-13 Bi-Pin Cap / T-5 Cap,

Ingress Protection : IP20,

Color Temperature : 5700K - 6500K,

Length of the Tube : 1150mm,

Lamp Shell Material: Polycarbonate, LED fixture with Aluminium back, front with Poly carbonate/ Acrylic diffuser, Operating Voltage: 140V to 270V AC. 50 Hz,

Driver Efficiency: More than 85%

Surge Voltage withstand: 2.5KV

Power Factor: More than or equal to 0.9(lag).

Total harmonics distortion: less than or equal to 15%.

Applicable standards are:

1) [IS:10322](#) (part 5, Sec-1, 2012: latest)

2) IS: 16108/2012/IEC:62471:2006.
